## Through the Bible for Kids

[Explore the Bible - by David Murray](#)

Is a through the bible one day at a time plan for kids age 6-12. This workbook has a simple layout that won't be overwhelming, but will help develop a habit of daily time in Scripture and prayer, and help kids understand the overarching storyline of the Bible. There are a few questions to answer each day, and a memory verse for each week. There is also an additional Family Worship Plan (see below) that you can read together.

These booklets cover the whole Bible in 3 years, and are aimed at 7-10 year olds. You can purchase one at a time or a yearly subscription.

[Discover - by Martin Cole](#)

A 12 book series that is aimed at tweens and teens. Each book covers several books of the Bible and includes activities, prayers, and memory verse suggestions.

## Family Worship

[Exploring the Bible Together - by David Murray](#)

Is the accompanying family worship guide that uses the same outline as Explore the Bible. You can use this as a family if your children are reading through Explore the Bible. If your children are not yet readers this is a great way to introduce them to daily Bible reading.
